

These Are the Men Who Did the Work!

For one week, from Monday, February 4, 1924, to Monday, February 11, the men whose names appear here engaged in a monster drive to raise \$1,250,000 to build a modern hotel for Camden. They gave unstintingly of their time and of their money, too. Citizens generally are glad to accord them a large portion of the credit for the success of the enterprise.
